Kampers Karnival Committee Meets

Klondike Kampers Karnival is only two weeks away and a review of arrangements Monday indicated the general committee to have planning well taken care of. The committee met in the Jade Cafe at noon Monday and heard reports on all activities planned for the weekend of July 15th and 16th.

The Western Review was in error last week in reporting Mr. Jack Mosdell as the new general chairman replacing Keith Peterson. The post actually went to Bob Mayhew with Jack Mosdell as his assistant.

Activities of the weekend will actually start on Thursday, July 14th with downtown entertainment that will include a performance by the 70 member junior band from Huntington Park, California.

Stores will be open on Thursday evening July 14th untill 9 p.m., but will be closed on Friday night.

Street decorating is expected to be underway in the next few days and it is hoped that a portable stage will be available for the downtown events.

Rehearsals for the stage performances are being held this week. Tentative plans call for two performances on Friday and Saturday, July 15 and 16, at 8:00 p.m. and a Saturday matinee at 2:00 p.m.

Five girls are taking part in the Klondike Kween Kontest and will be taking part in activities throughout the weekend. Final plans for judging are being left with the ladies of the Royal Purple.

Forty or fifty aircraft could be here Friday morning for the fly-in breakfast, depending upon weather conditions. Other air show activities discussed were a parachute drop and a display of homemade aircraft.

A cross-country foot race has been added to this year's schedule of events. The race will start in the downtown area Friday afternoon and end at the riverside grounds.

Accommodations are still required for the young people in the Huntington Park band and Les Gamblin and Bob Mayhew have undertaken the compiling of a list of residents willing to take in one or two of the youngsters on Thursday evening. The band will be here from Thursday afternoon until Friday afternoon when it leaves for an appearance at Devon.

The parade committee reported that about thirty entries have so far been received for the parade. The committee is now calling on young people of the community to decorate their bikes and motor scooters to take part in the parade which will be held on Friday.

A letter was received from the Miss Dominion of Canada Beauty Pageant Committee suggesting the possibility that Miss Canada might be here for the event. She will be in Alberta for the Calgary Stampede and Edmonton Klondike Days and efforts will be made to have her attend the Drayton Valley festivities.

Edmonton's Klondike Kate, with stagecoach and outriders, will also be featured in the parade.

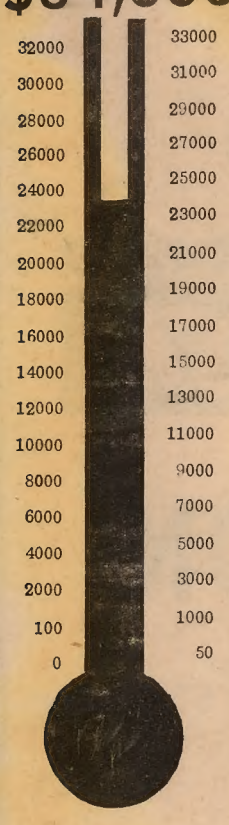
Another new event this year will be scooter time trials and obstacle course events at the grounds on both afternoons. Trophies will be awarded for the event.

The Larial Gymkhana Club will also be holding a gymkhana at the riverside grounds.

Another feature this year that is being investigated is the possibility of arranging for a number of old timers who have panned gold in the river to be present to demonstrate panning. It is hoped that others who might like to try gold panning could get a few tips from the old time prospectors.

Centennial Fund

$34,000



The following is a list of donors who contributed to the Centennial Fund last week.

Drayton Valley Legion Ladies Auxillary, Pembina Meter Services Ltd., Rose's Well Services Ltd.

Accident Takes Two Lives

Donald J. Sheeler, 35, and his wife Adeline, 30, of Moon Lake, were killed Thursday evening when a car went into the ditch on Highway 57 about four miles north of Drayton Valley.

Two other occupants of the car, Cecil Fels of Edmonton and Lloyd Fels of Ardmore were seriously injured.

The accident occured at abou 11:30p.m. Thursday.

Mr. and Mrs. Sheeler are survived by four children:

W.I. Discusses Flower Show Arrangements

The June meeting of the Drayton Valley Women's Institute was held in the library recently with nine women present.

The annual flower show to be held August 17th was discussed and it was announced that The Bay will present a silver rose bowl trophy for the first class rose; Drayton Hardware will present a trophy for the nicest pansey; and the W.I. will present a grand aggregate trophy for the most points.

Mrs. Olga Brown gave a report on the girl's club. After the meeting adjourned Mrs. Brown served a delicious lunch.

Next meeting will be held on September 19th.

Local Man Trapped In Mine Cave-in

Brian Minchin of Drayton Valley was one of three men trapped in a cave-in in a nickel mine at Thompson, Manitoba on May 23rd.

Brian, who moved to Drayton Valley with his parents in 1956, returned here on Monday from Thompson where he has been hospitalized since the cave-in. He suffered back and leg injuries.

He left Drayton Valley in March of this year after working in the oil fields and at other jobs in town to try his hand in mining.

The three men were working at the 1050 foot level when the cave-in occured.

CALENDARS AVAILABLE

Jack Bright, president of the Drayton Valley Rotary Club, advises that a few copies of the 1966-67 Birthday Calendar are still available. These may be purchased at $1.00 each by phoning 542-3673.

Centennial Project

Shown above is a replica of Fort Edmonton constructed by members of The Bay staff and being raffled as a Centennial project. The fort is guaranteed to delight any youngster with its block houses, rifle slots and ladders where he could stand off attacks for hours. Money raised from the project will be contributed to the Centennial Fund. Tickets are on sale now by members of The Bay staff and the draw will be made during Klondike Kampers Karnival.

Charter Night Held By Lodgepole Lions

The Lodgepole Lions Club Charter night was held on the 27th of June with a good representation of local and sponsoring Lions present.

A ham supper, arranged by Lion G. Schmidt and prepared by himself and fellow Lions and their wives, was one of the features of the evening. Upon entering each Lion lady received a corsage, courtesy of the Lodgepole Lions Club.

Some features of the evening activities were Invocation, given by Lion Adam Eckert, President of the sponsoring Drayton Valley Lions Club; Toast to the Queen by Lion Len Kay; Toast to the ladies by Lion Darrel Daniels and the reply to the toast by Charlotte Kay. A civic welcome to the Lions was given by Mr. Thompson, town council member for Lodgepole.

Special Lion representative Rudy Rippel of Fort Saskatchewan introduced the guests of visiting clubs, and also introduced Deputy District Governor Tony Renninberg, who inducted the new members into Lionism.

District Governor Ed Hay presented the charter to Lodgepole Lions Club at which time he devoted considerable time to the activities of Lions Clubs throughout the world and the far reaching effect that they have in the communities in which they exist. The charter was received by president Gerald Wiltse on behalf of the Lodgepole Lions.

The sponsoring Drayton Valley Lions were very much in evidence during the evening. In particular the Tail Twister from Drayton Valley Lions Club ably assisted by Tail Twister Ed Moisey from the Lodgepole Club, proceeded to liven up the evening for a unfortunate few with some impromptu amputations performed on their neck-ties. Numerous fines were levied for offences such as mismatched tie and sock combinations. As a gesture of good will one of Drayton Valley Lions agreed to replace all the damaged neck wear.

A dance followed the charter program and presentations, with music supplied by Lorenz Orchestra, of Entwistle.

At the close of the evening it was found some extra corsages were on hand, so Lodgepole Lions sent the remainder to the ladies in the Drayton Valley Hospital.

The evening was a success due to the unflagging efforts of the local Lions in preparing the banquet, decorating the hall and all of the hundreds of tasks which go to make up an evening such as this. Also to the many acts of assistance by the sponsoring Drayton Valley Club, printing of programmes, active participation in the programme and supplying the bulk of decorations from a seemingly inexhaustable supply.

Guests were present from the Edmonton Club. The farthest guests came from England and were escorted to the charter night programme by Lion Tony Renninberg who, along with his wife come from Daysland.

Klondike Dress Urged

With Klondike Kampers Karnival only two weeks away the Drayton Valley and District Chamber of Commerce urges residents to begin wearing Klondike garb to help provide atmosphere for the big summer event.

It is hoped that more and more people of the community will begin appearing in the shops and on the streets in the dress of the "Gay 90's. The help of everyone is required to make Klondike Kampers Karnival a resounding success.

A year is more than 31,000,000 seconds long.

2014.18.195A

Seek Entries for River Raft Race

To date there has been considerable interest in the fast-coming Raft Race on the North Saskatchewan River, July 16, however no definite commitments have been made as yet. Registrations are now open for those interested in this race. Interested persons are asked to register early in order to avoid that last minute rush. The race will start promptly at 4:00p.m. and all rafts are to be at the starting location approximately seven miles up the river no later than 3:00p.m on the day of the race.

The raft race will go on rain or shine. There is no limit to the number of enteries accepted for the race. Out-of-town rafters are cordially invited to take part. The race is open to persons of all ages, however, all those wishing to participate must fill and sign an application form and all minors must have the signed consent of their parents or guardians before being accepted.

Any raft team shall consist of two persons, no more, no less. Each team is responsible for its own raft construction and equipment. Raft specifications, equipment, rules and regulations may be obtained at the Recreation Office.

Trophies shall be given to deserving competitors this year instead of the cash from the entry fees as was the case in last year's two races. Entry fees shall be set at such an amount so as to cover the purchase of the necessary trophies.

Remember, start to build your raft early, register early and be ready to sail. There will be plenty to do at the last minute and the race starts at 4:00p.m. sharp July 16th.

SIGHT-SEEING QUIZ

Can You Name This Spot?

Murine Co Feature

Clue • TWENTY-FIVE ACRES OF SCENIC BEAUTY AWAIT VISITORS TO THIS FAMED CANADIAN LOCATION.

Answer • BUTCHART GARDENS, VICTORIA, BRITISH COLUMBIA.

Good eyes mean good memories. Care for your eyes at all times.

Feature Edmonton Vocalist

"THE INN" announced today that Elsie McNiell vocalist from Edmonton will be the official host and Klondike Kate for the Klondike Ball to be held at "The Inn" July 15th and 16th. She has performed in many rural engagements.

Tickets for the Ball can be purchased at Don McKenzie Men's Wear, Copemans Shoe Store, Dr. H. Shimbashi or can be arranged through any member of the Klondike Kampers Karnival Committee.

F.U.A. MEETING

The Drayton Valley branch of the FUA will hold a meeting Wednesday, July 13 at 8:00p.m. in the Town Office.

Hose Laying

The Drayton Valley Fire Department will be holding a hose laying contest the same weekend as the Klondike Karnival. Five or six teams from out of town will be taking part in the event on Saturday, July 16th.

Buck Creek News

Mrs. G. Stec
Correspondent.

The Sunday School finished its current term with an awards night. Receiving awards for perfect attendance were: 6 years: Heather, Laura, and Jack Malin, Sherry Stec, and Dennis Steffensen. 4 years: Mike Linda and Leanne Wollen 3years: Jerry Stec and Blaine Haukedal. 2years: Shane Haukadel, Wayne and Wendy Stec, Danny, Shirley, and Barbara Hauser, Gene Stec, Dawn, Lorne, and Lorry Lee. 1 years: Linda Hauser and Kim Wollen. The Wollen family were also presented with going away gifts, as a remembrance of the Sunday School.

The turnouts for the womens soft ball practices have been very good. On Wednesday evening of last week, the team motored to Breton to play the Breton ladies. Although it sprinkled throughout the game, we managed to play seven innings. The score was 34-19 in favor of Breton.

There will be a clean-up day at the cemetery the second Sunday in July. Anyone interested in taking part in this worth-while project, please come to the cemetery on the afternoon of the tenth.

The community club bingo held at the hall last Saturday night had a very slight turn out. Mrs. Bertha Simpson was the recipent of the master prize of $5.00.

Visiting at the home of Mr. and Mrs. Alvin McDonald are Mr. and Mrs. Ken McDonald and family of Edmonton.

Mr. and Mrs. Gordon Steffensen motored to Slave Lake over the week-end.

Get well wishes are extended to Warren Bara son of Mr. and Mrs. Al Bara of Buck Creek, who is a patient in Drayton Valley Hospital.

Mr. and Mrs. Glen Bieker of Newton B.C. were visiting friends and relatives, in the district for a few days last week.

Mr. Garry Wagner of Edmonton is holidaying at the home of his grandparents, Mr. and Mrs. Foster Simpson.

Visiting friends and relatives in the district are Mr. and Mrs. Butch Smestad and Threasa of Slave Lake.

ACT CHANGED

A recent ammendment to the Small Debts Act raises the maximum claim from $300 to $500 and the claim fee from $3.00 to $4.00.

The ammendment became effective on July 1st.

Rex Burrows Wins Tourney

The Pembina Oilmen's Club presented its first annual Oilmen's golf tournament at the Drayton Valley golf course on June 25th and 26th with a total of eighty-eight entries, many from outside the Pembina area.

A barbecue which was sponsored and also catered by the Pembina Pipeline and directed by the capable chef in the person of Slim White was much enjoyed by all the golfers and their wives on Saturday night. After the barbecue Ron and Elsie McNeill along with the Harmonicers from Edmonton provided the entertainment.

Rex Burrows who is considered a real tiger on the golf course in these parts again proved himself to be the best golfer in the tournament by winning the Championship flight.

The various winners in each flight and the sponsors are listed as follows, with winner, runner up and consolation in that order.

Championship Flight by Redwell Servicing: Rex Burrows, George Goss, David Hindely. First Flight by Gooding and Matt Construction: Kevin Goble, Stan Metelski and Ron Williamson. Second Flight by Anchor Construction, Don Booker, Tom Booker and Roger Egglestone. Third Flight by Pembina Pipeline, Ron Sired, Ken Helander and Howard Ganske. Fourth Flight by Drayton Tank Trucks, John Wronko, Reginald Ruttan and Adam Muzylouski. Fifth Flight by Flint Engineering & Construction, Richard Raugust, Roy Hale and Fred Sikora. Sixth Flight by Anderson Transport Lorne Bartley, Bruce Cunningham and Roy Shannon. Seventh Flight by Carnwood Wireline Phil Murray, Angus Laurie and Dennis Sidfuson. Eighth Flight by Electrical Contractors, , Ralph Hook, Moe Erickson, and Ray Pirate. Ninth Flight by Swanee Well Servicing, Emil LaBranche, Albert Lanchbury and Paul Hargas. Tenth Flight by Eskimo, Norm Mills, Fred Jenkins and John Moodie.

The golfer who can actually drive the ball a country mile, a golf cart donated by T & M Electric went to Ross Thompson.

Two Saskatchewan mickeys of the finest donated by Meraw & McGee Well Servicing and Mack & Mann Trucking were won by Mike Daviduk and Paul Hargas respectively.

Although many tried, there was only one successful in planting a ball in his drive on number seven green, namely Dr. Ian Waugh who won a pair of golf shoes donated by Rose Well Servicing.

The golf bag was won by Ron Williamson and donated by Mac Lean Well Servicing. Golf shoes donated by Ganske Welding and Braiden Hay were won by Fred Sikora and Fred Holan.

Bar Nees Transport saw to it that no one had a dry throat by serving refreshments at #5 green.

The executive of the Pembina Oilmen's Club wish to take this opportunity to thank all the donors and others concerned for their support in making our first Oilmen's Tournament in Drayton Valley quite a success.

Oilmen's Tournament

Shown above is Kevin Goble presenting the championship flight trophy to Rex Burrows during the recent Pembina Oilmen's Golf Tournament. From left to right are Kevin Goble, Rex Burrows, George Goss, runner-up and Dave Hindely, consolation.

"Work done well will never need to be done over."

"Oh no -- How about washing dishes, raking leaves, cutting grass, scooping snow and pulling weeds?"

D. V. Highlights

BY MRS. EDITH DEBY

People of this district were saddened on the weekend by the news of the untimely death of Mr. and Mrs. Don Sheeler in a car accident on Friday night. Both were well known here. Mrs. Sheeler, the former Adeline Lank, grew up in the Moon Lake district and Don came with his parents when in his early teens. Our heartfelt sympathy is extended to all of the family.

Two district homesteads have changed hands recently. Mr. Ole Grotte has sold to Ole Stordalsvoll and the Edward Hills place has been purchased by Mr. and Mrs. Ted Tucker.

Messieurs Pickovance and Brownbill have purchased a home in Creston. Kenneth MacKenzie will be farming their fine river flat farm.

Mr. and Mrs. Bill Kuzio have had their usual influx of visitors. Mr. and Mrs. L. Anderson, of Cynthia; Mr. and Mrs. Mike Wurban and daughter, Pat and Adolph Drewniak, of Calmar; Mr. and Mrs Leo Knull and family, of Camrose, formerly of Drayton Valley, have all called recently.

On Wednesday Alberta's choice of canoeists for the Centennial Voyageur Canoe Pageant was announced. The nine successful candidates included two Drayton Valley men, David Ellery and David Maclure. Congratulations to you both.

Prior to school closing the staff of the Elementary School held a tea to honour two staff members who will be getting married during the holidays. Miss Judy Blair will marry Mr. Don Landers and Miss Margaret Rowe will marry Mr. R. P. McDonald. Mrs. Adam Eckert presented the gifts on behalf of the staff.

Mr. and Mrs. Raymond Custeau of Thetford Mines, Quebec, were Mike Gormley's guests for four days last week. the Custeaus attended the Wainwright stampede and proceeded to the Pacific Coast after their Drayton Valley visit.

We hear that Mrs. Belva is away this week so probably she will forgive the inclusion of some Rocky Rapids news in this column.

Mrs. William Louth and Mrs. Lynn Hall spent several days in Jasper where the Louths made their home for some years. Mrs Louth had a fine time visiting old friends.

Mr. and Mrs. Davidson of Salmon Arm and Mr. Roy Davidson of Beaver Cove were in the Rocky Rapids district visiting relatives and friends.

Mr. and Mrs. William Chisholm and family of Calgary were in the district for the long weekend.

Summary Health Board Meeting

A meeting of the Board of the Edson Health Unit was held in the Town Office in Drayton Valley on Monday, June 27th, 1966. Present were: Mr. P. W[illegible], Edson, Chairman; Mr. J. Wynne, Edson, Vice Chairman; Dr. H. Shimbashi, Drayton Valley; Mr. W. Nowrie, Hinton; Mr. G. Dompnier, Evansburg; and Mr. D. McElroy, Secretary-Treasurer. Also in attendance were Dr. J. Brown and Mrs. P. Adams.

The Chairman reported that information was received from Edmonton that construction of the proposed new Health Unit premises in Edson would be commenced during July, 1966 and occupancy is anticipated in November, 1966.

A letter regarding Preventive, Public and Child Welfare Services was forwared under the signature of the Chairman of the Health Unit Board to all contrubuting authorities. Following discussion, it was agreed that Councils were awaiting further information from the Department of Welfare on this matter.

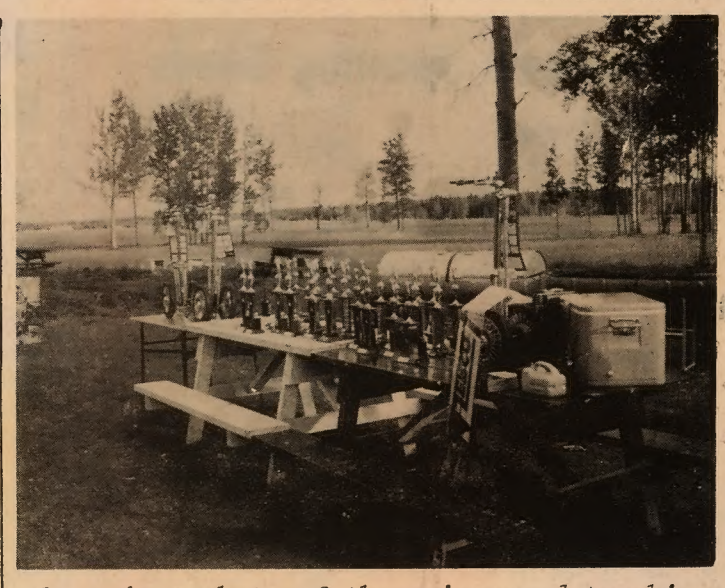
Correspondence was read from the Alberta Tuberculosis Association in relation to grants which would no longer be availlable after the Fiscal Year ending March 31, 1966. This matter was taken under advisement.

The audited Financial Report for the year 1965 - 1966 was presented and after scrutiny, was approved.

Dr. Brown reported on the work during the period January 1 - March 31, 1966. Following discussion the report was adopted.

Dr. Brown advised the members of the Board that the regulations relating to the passing of a By-Law on Fluoridation of Communal Water Supplies had been changed from a 66-2/3% majority to a straight majority. It was decided by the members present that this matter should be drawn to the attention of all contributing authorities with a communal water supply.

The present Health Unit accommodation at Drayton Valley was discussed at length. A proposal for alternative accommodation was considered, but the members of the Board decided that no action should be taken at this time.



Above is a photo of the prizes and trophies awarded during the Pembina Oilmen's Golf Tournament.

EVANSBURG NEWS

Sorry about missing the news the past two weeks. Was just too preoccupied to send out a news report. The first deadline was missed because a cute pinto colt had to be rescued from all sorts of places. The second deadline because of weeds in the garden. However .. Congratulations to Mr. and Mrs. J. Mazeppa on their recent marriage in Edmonton. Mrs. Mazeppa is the former Miss Lorraine Lentz of Edmonton. The happy couple are taking a trip through B.C. and the Western states.

The Wolf Cubs held a two night camporee at the river park. Thirty-two Cubs, six Scouts (assistants) and four leaders attended as well as the cook mothers.

Following their camp out, at a special meeting eleven of the Cubs went up into the Scout Troop. This makes about 2 dozen boys in Scouts and the same number in Cubs.

Visiting at the home of Mrs. T. Bruner was her daughter, Mrs. Pard and daughters from Vancouver.

The UCW report a successful bake sale and thank all who patronized it.

The man of the house reports a good time at the auction sale held in the Legion Hall. This takes place every three weeks.

The Annual Cub - Scout family supper was well attended and everyone enjoyed the film shown by Mr. Clark of Sangudo.

Everyone hopes Timmy Shulz and Art Stirret are fully recouvered from their bouts with pneumonia.

The children are all out of school and will soon wonder what to do with all the spare time on their hands. All of my boys report a successful [illegible]r of school.

[illegible]on't forget, the District Fair Prize lists are now out and available to everyone interested.

Hope the editor can read this The Supercontinental is not the smoothest riding train to write while riding in it. I am on my way to Prince George, B.C. and by the looks of the snow on the mountains it is no wonder the weather is so cool.

THE ARNOLD *Palmer Method*

by GOLF'S 4-TIME MASTERS WINNER

PLAY CONTROLLED SHOT INTO WIND

When faced with a tee shot into a strong wind, most golfers suddenly become distance-conscious. They tend to press for extra yardage. This is the worst thing you can do.

Shots into the wind that carry any amount of sidespin will be pushed off-line to a greater degree than would be normal on a still day (see illustration). They not only fly farther off-line, but they also fly much shorter than normal because of the wind.

The next time you play a shot into the wind, forget about distance. Just give the shot your best swing, one that will strike the ball as squarely as possible. Stress control, rather than length. By striking the ball squarely – even if it means shortening your swing – you will not only achieve a shot of decent length, but, more important, you will keep the ball in play.

Leader Selects Alberta Centennial Canoe Team

Alberta's canoeists for the Centennial Voyageur Canoe Pageant were named Wednesday.

Alberta commodore John Nik[illegible] named the nine crew mem[illegible]rs and announced that the [illegible]berta canoe will be called [illegible]e David Thompson, during the sentennial seminar held in the Macdonald Hotel.

One of the nine men will have to be dropped to pare the crew down to the required eight for the 3,500-mile voyage next year.

A 30-year-old big game guide form Rocky Mountain House, Vic Maxwell, will be captain and navigator, Mr. Nikel said.

Other members are brothers Albert and George Able, 33 and 28 respectively, of Calgary; Dave Ellery, 33 of Drayton Valley; St. Albert physical education teacher Ken Hardy, 22; Robert Poluck, 32, of Calgary; and University of Alberta students Terry Ford, 19, Dave Maclure, 25, also of Drayton Valley, and Francis Tally, 23.

"We wanted the right blend of maturity and youth," the commodore said, "It's going to be a long grind."

More than 160 Alberta paddlers sought positions on the team, but the choice was pared down to 20 last fall, and the final selection was made this week.

Strength and endurance tests, medical studies, and even aptitude tests provided by the university, were used in selecting the crew, Mr. Nikel said.

In addition, the canoeists had to be experienced competitors and men emotionally mature enough to withstand not only the strain of four months on the water, but also the temptations of numerous parties, banquets and receptions along the way.

CORRECTION

A recent issue of this newspaper carried an account from Buck Lake regarding a trophy for public speaking at the Buck Lake School.

Esther S. Fullerton, principal of the school, advises that the account was in error and on June 29th the trophy for grade 8 scholarship was awarded to Arthur Larsson for the highest standing in five areas of work.

Safety equipment tucked away in the corner of a boat does not do any good for anyone. While on a lake it should be worn by all parties.

Library News

The library board wishes to thank the local branch of A.A. for its generous cash donation to the library.

This week our readers had this to say about the books they had read. For Whom the Bell Tolls. "Can't see why anyone would bother to read Hemingway's books." The Song of Sixpence by Cronin. "A refreshing change after some of this modern stuff." Seventy Years a Cowboy by Philip Sheridan Long. "I like factual stories of the early days. These people had a rough time." The Mandelbaum Gate by Muriel Spark. "Not up to Muriel Spark's usual standard."

Please feel free to voice your opinions to the staff when you are returning books. We are interested in what you have to say.

During the summer the library will be open on Tuesday evenings from 7:30 to 9. Books may be returned at any time by dropping them in the book chute.

RAMONA NEWS

Mrs. Wood, Correspondent

It is with deep regret that I give the news of our neighbors and friends Mr. and Mrs. Don Sheelers death. Don and Adelaine were killed in a car accident Friday night four miles north of Drayton Valley. Our deepest sympathy goes out to the rest of the family.

Social, Awards Night Held

Despite inclement weather conditions, a crowd of approximately 250 people gathered into St. Anthony's School last Wednesday evening to attend the First Annual Parish Social and Awards Night.

The evening of entertainment began with a pot luck supper, and followed shortly after with the presentation of awards to students from Grades One to Eight for the "Most Outstanding" and "Most Progressive", in each room. Mrs. Elain Horn, C.W.L., member, presented the awards to 18 pupils on behalf of St. Anthony's C.W.L., sponsors of the event.

The following students were successful in receiving awards for the "Most Outstanding", and "Most Progressive" respectively; the home-room teacher's are listed after the student's: Grade One- Jari-Ann Horn, Jimmy Crough - Mrs. Dusterhoft; Grade One - Darrel Musch, Fay Anderson- Sister Marie Edna; Grade Two Harold Hammerlindl, Cheryl Bolander- Sister Marie Edna; Grade Two- Claire-Marie Telford, Donald Steirer- Mrs. Kerr; Grade Three- Blaine Sebry, Gerard Hook - Mrs. Hammerlindl; Grade Three- Brenda Harris, Raymond Kowal- Sister Marie Florence; Grade Four- Shirley Lockhart, John Fournier- Sister Marie Florence; Grade Five- Colleen Bengston, Karen Chaput- Mrs. Mendryk; Grade Six- Bret Hammerlindl, Gertrude Duperron- Mrs. Greschuk; Grade Seven- Carl Bengston, Tony McGee- Mrs. Hegholz; Grade Eight- Dianne Serenas, Linda Fitzgerald.

St. Anthony's C.W.L., also make an annual scholarship award in the amount of $25 to the student who achieves the highest mark in the Grade 9 English-Literature departemental examinations. The scholarship is open to students from both the Separate and Public Schools in Drayton Valley.

Corsages were presented to the teaching staff and caretakers Mr. and Mrs. Kashmar of St. Anthony's School in appreciation for a job well preformed, and members of the School Board were also honored.

Rosaire Parenteau and his son, Maurice, provided an excellent evening of musical entertainment and both parents and children danced to a good variety of new and old selections. A Grand March started off the dancing activities in which a good majority participated. Prizes of all sorts were awarded to couples for various dances and Mr. Clarence Anderson and his daughter Pattie, and Mrs. Webber and her son Robert, succeeded in winning top prizes for the "Parent-Child", dance.

Perhaps the feature event enjoyed most of all were the popular square dances, and a wonderful job in calling the dances was preformed by Mr. Hans Lemermeyer.

The evening was and

The evening was an entire success, and aside fron the presentation of awards, was an ideal opportunity for those in attendance to make new acquaintances and get together with old friends. The students enjoyed the evening equally and perhaps are the ones most likely to remember the event.

St. Anthony's C.W.L., are certainly to be commended for their fine efforts in sponsoring the event, and many will be looking forward to re-new last Wednesday evening's experience once again next year.

The evening concluded with all parents and children dancing to the "Home Waltz".

Cross Country Race Planned

The foot race from centre of Drayton Valley down to the Klondike Kamp ground at the bridge, held last year on Labour Day and won by Ludwig Lutz, is to be held this year on Friday, July 15th. The race will start at 1 p.m. from The Bay.

Those wishing to enter should contact Dr. H.L. Maclure. Entries will close shortly before the race starts.

Roy Burrows Motors will present a trophy for this contest. We hope that as many as possible will wnter and that it may become a regular feature of the Drayton Valley annual Klondike Karnival. If sufficient interest is shown this year it may be possible to have two races next year- senior and junior.

Lutheran Church To Install Pastor

Rev. Galen Drawbaugh of Sacremento California has arrived this week to take on the duties as pastor for Emmaus Lutheran Church congregation. Pastor Drawbaugh is married and they have a daughter. He will be installed at the evening service 7:30 P.M. Sunday, July 10th with Rev. Rode of Edmonton officiating.

All are extended a welcome to attend. A social hour will be held following in the basement of the church so all may become acquainted with him and his family.

N unswick was the first Can n province to use public ds for school support. In 1802 the government there gave 10 pounds a year to any parish that would start a school.

Preparations Going Ahead for Centennial Canoe Pageant

Preparations are advancing rapidly for the Centennial Voyageur Canoe Pageant. Trials for the 1967 pageant race will be held this summer in both eastern and western Canada.

The Pageant is to get under way early in May in 1967 from Rocky Mountain House in Alberta, and after 100 days of paddling the portaging across Alberta, Saskatchewan, Manitoba, Ontario and down the Ottawa river to the St. Lawrence, the crews are to reach the Canadian Pavilion at the Expo '67 site on the St. Lawrence river about Labor Day.

The route covers about 3,500 miles and it is expected crews will average about 35 miles of travel daily.

Trials this year will be held in conjunction with the provincial Centennial celebrations of B.C., in a test race on the Fraser River in August from St. James down the Stuart river to Prince George and then down the Fraser river through Quesnel to Soda Creek. The crews will portage by trailer to Yale and then paddle on to Hope, New Westminster, and Vancouver and across the strait to Victoria.

In Eastern Canada, the canoe crews this summer will shoot the Lachine Rapids and paddle to the Expo '67 site in the St. Lawrence, before proceeding to Sorel, the Richelieu river to Beloeil and St. John's Quebec, and across Lake Champlain to Plattsburg, New York.

From Plattsburg, the crews will go down the Hudson River to New York City for arrival in the U.S. metropolis Labor Day weekend, and an appearance on the Ed Sullivan show.

In addition to "sprint" prizes which will be awarded to the teams of paddlers as they complete each phases of the trip arriving at towns and cities along the route, the Voyageur Canoeists will be competing for prizes totalling several thousands of dollars. The winning crew will receive $2,500 each, the second place crew $2,000, the third place team $1,500, and every man who completes the trip to Montreal will receive $1,000.

When the fire siren goes, all motorists are asked to pull over to the side of the road, and stay there until you are sure you will not interfere with the fire trucks.

Water Skiing
WITH CLINT WARD

A preliminary for learning to water ski is dry land practice.

Get the help of an instructor—experienced water skier or friend. First wet your feet and the bindings. After adjusting the bindings put the skis on. Using a beach or grassy area stand with the skis parallel and about 4 inches apart. Sit down on the back of the skis. The instructor or friend should give you the handle and then stand just in front of the skis holding the tow-line taut.

Lock your knees together with your elbows. The knees should be into your chest and your arms should be straight. This is the same position you should assume just prior to starting from the water. With the instructor applying pressure on the line to simulate the pull of the boat, stand up with your legs. Do not pull up with your arms as this will cause the arms to bend, resulting in a fall.

(Copyright 1966. Toronto Star Syndicate)

CLIP AND SAVE

Drayton Valley Rotarians Place Second at Edson

An All-star Softball Team from Drayton Valley known as the Drayton Valley Rotarians came second in the Dominion Day Softball Tournament held in Edson. The tournament was played over Friday and Saturday.

The D.V. team won the first game Friday over the Worthington Trucking team of Edson 3-0. The strong pitching arm of Wally Godun made the difference in this tight game. From here the Valley team went on to meet the Edson Motors and lost this one 11-5 to drop out of the first round of competition.

The Rotorions were in second round competition Saturday and dropped their only game 21-7. Once again it was the Edson Motors squad that did the damage to the local hopes

The players who performed in the Edson Tournament were Wally Godun, Roger Kane, Paul O"Rourke, Vince Pkachyk Don Phereault, Dick Baker, Adam Androschak, Jim Crough Al Madsen, Paul Bradley, Alan Lambre, Bob Mayhew, Harold Reinhart and Harry Cymbuluk.

There is a good possibility that there will be a six-team softball tournament held in Drayton Valley on Saturday August 6th. Preliminary plans are under way for this tournament right now and you will hear more about it as time goes on.

Surprise Party Held

Among the many end-of-term parties held in Drayton Valley schools was a surprise party by the grade five students of Mrs. Henkel in the junior high school.

The students decorated the room on the eve of the last day of the term and then arrived before classes with lunches, cakes and presents to completely surprise Mrs. Henkel.

G. Schmidt, Correspondent

Mr. and Mrs. Coverdale and family visited with the Gerald Wiltse and family. The Coverdale's are from Victoria B.C.

Driving through Drayton Valley last week I noticed the huge project of their Centennial Arena is on the way, hats off for Drayton Valley.

Three small children of the Harry Smith family are in hospital in Drayton Valley.

Special thanks to Mrs. G. Pedersen, Mrs. Knapp, Mrs. H. Elliott, Mrs. McMillan, Miss D. Schmidt, Miss M. Pedersen Miss Nagraf and Miss K. Knapp for their help serving supper at the Lion's Charter night.

Dome Cars For CN Line

EDMONTON -- Canadian National trains between Jasper and Prince Rupert will be equipped with scenic dome cars this summer. The first left Jasper on Friday, June 17.

Three of the new cars have been assigned to the scenic run through the main Rockies, the interior valleys and the Coast Range.

The 85-foot long cars are equipped with 24 seats in the dome. Sleeping accommodation in the same car includes three compartments, one bedroom and five roomettes.

They are electro-mechanically air-conditioned.

RCMP Ride

The RCMP Musical Ride will be in Edmonton June 22,23, and 24, 1967, during its all-summer Canadian Centennial tour.

Commissioner G.B. McClellan said that the RCMP band will apear with the precision riding team in 19 Canadian centres between June 7 and September 26. The tour will wind up with a 10-day appear- and at Expo '67 in Montreal.

The musical ride, without the band, also will appear at the Canadian National Exhibition in Toronto, August 18 to August 26, 1967, and at the Royal Winter Fair, also in Toronto, November 19 to 28.

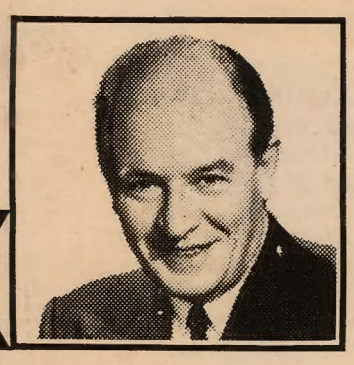
Centennial Report



1867 1967

by JOHN W. FISHER
CENTENNIAL COMMISSIONER

Before the end of this year a full-length Canadian feature film will be released to Great Britain, the United States and other countries. It is certain to encourage people to visit our country during the 1967 Centennial.

The film, called Helicopter Canada, an hour-long Panavista production for wide screens, will be shown in our own cinemas during 1967.

Helicpoter Canada is the first full length moving picture feature to be made entirely from a helicopter-in-flight anywhere in the world. It is an exciting coast-to-coast color sweep of Canada - its geography, its wildlife, its people and ways of life. It is being produced by the National Film Board of Canada for and with the aid of the Centennial Commission. Peter Jones is the producer and George Salverson is the script writer. The director-cameraman is Eugene "Jeep" Boyko of the National Film Board staff who had some interesting experiences filming this project across Canada from the open door of a helicopter.

Boyko was born in Saskatoon, has been a dishwasher, shipyard worker, private character in various parts of the country and he was a country-and-western singer in Saskatoon in 1937 when a broadcaster named Jack Wells tagged him with his nickname, Jeep, after a comic-strip creature.

In the 40's Boyko was a taxi driver in Vancouver when a passenger went on vacation, leaving her camera in the cab. He used it to shoot a traffic accident and sold the pictures to a local paper for $5. This sent him into photography and he wound up at the National Film Board in 1951. Boyko's home, when he gets there, is in Lorraine, Quebec; he has a wife, one daughter, 10, and one son, 3.

By means of Jeep Boyko's camera, background narration, dialogue and sound effects, the viewer in the cinema audience will be making a trip across the country, discovering Canada as though he were in that helicopter. The 'copter, during shooting, was able to get as close to the face of anything as its blades permitted and hovered from six to 600 feet.

Boyko spent more than a year on the filming -- a good deal of the time 500 feet up in the air, crash helmet on head, hanging out the side of a French-built turbine helicopter (the Alouette). In one year he shot 96,000 feet of film and travelled from Newfoundland to Victoria. An anti-vibration mount for the camera was a French-made unit, first used in the making of the French films "The Red Balloon" and "Voyage in a Balloon". It permits a picture while hovering vibration is eliminated in this clever device.

In Toronto Boyko hovered a few feet above Natham Phillips Square for a dramatic view of the new clam-shell city hall. He caught the Old Fort Henry Guard, at Kingston, doing its drill.

The helicopter camera shot the convoluted tubing and towers of a vast oil refinery complex at Edmonton, paddle wheelers, rising new buildings in Western cities, the lush North Saskatchewan River Valley; in Montreal the helicopter made forays around the new skyscrapers; in Saskatchewan it caught a fast-moving freight train travelling through a Prairie town, a truck leaving a high dust plume behind it, down a road to a lone elevator standing stark against the prairie horizon.

In Newfoundland the camera made contact with a light house keeper and a ship's skipper seeking guidance into the harbor thus symbolizing the entry to Canada through her most Eastern gateway.

The film's viewers will have the sensation of being virtually on the surface of the gorge beneath the Honeymoon Bridge at Niagara Falls, and being on a slow trip straight up the face of the bridal veil falls almost at arms length. They will "ride the back" of a deer in flight, peek into the windows of Montreal skyscrapers and experience the sight and sound of stenographers at their work and stockbrokers in action. They will view skiers and mountain climbers, wheat farmers, miners and prospectors, lumbermen, assembly-line productions, football clubs, outdoor activities of various ethnic groups and of the first Canadians -- the Indians.

Don't miss Helicopter Canada when it comes to your area in 1967.

Mr. John Wepryk and Family

Help Wanted

WANTED - Experienced conscientious cat driver. Start immediately. Apply Box 120M, Drayton Valley. 15tr

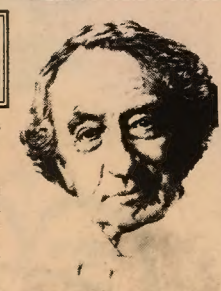
A new way to lessen the work of washing walls is to use a paint roller that has been dipped in warm water and detergent; then rinse the wall with a sponge and clear water. The roller is particularly useful for reaching the high spots.

CANADA'S CENTURY

A news background special on the Centennial of Confederation

The Giants Of Canada's Early Years

(Sixth Of A Series)
By WALT McDAYTER



John A. Macdonald became Canada's first prime minister before the nation actually existed. Governor General Monck formally appointed him prime minister on May 24, 1867. Canada did not become a nation officially until July 1.

History has repeatedly proven that a nation can only be as great as its leaders, and the giant strides Canada has made in less than 100 years reflects the fact that we have had more than our share of strong leadership.

Of Canada's 14 prime ministers, the first, John A. Macdonald, is probably the most fondly remembered. Macdonald may have been a notorious opportunist, a procrastinator, and sometimes utterly unscrupulous in his political dealings, yet posterity has mercifully forgiven him all this.

Why? Because he was also the most delightfully colorful character our history has produced.

More significantly, however, John A. was the right man for the times. A compromiser and a conciliator, his fatherly coaxing and wheedling were needed to guide the infant nation's first few faltering steps taken on her own two feet.

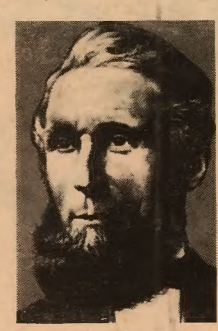
It is highly unlikely, for example, that the Canadian Pacific Railway would have reached the Pacific coast by 1885 had it not been for his prompting. Without this railway, British Columbia would have withdrawn from Canada, and settlement in the prairies would have been drastically delayed.

But it must be remembered it was Macdonald who was embroiled in the scandal that almost ended in the shelving of our first transcontinental railway! In 1873 the Liberals proved that he and his Quebec colleague, George E. Cartier, had accepted campaign funds from Hugh Allan as a bribe for the western railway contract. But voters have short memories, and though Macdonald had been forced to resign in 1873, in 1878 he was re-elected prime minister. Railway construction, halted in his absence, was resumed.

In the period of Macdonald's disgrace, Liberal Alexander Mackenzie became Canada's second prime minister. Faced with a depression, he attempted to perk up the economy with a lower tariff policy.

After Macdonald and Mackenzie came a series of four Conservative prime ministers, within a five year period. They were: J. J. C. Abbott, first Canadian-born to hold that office; John Sparrow Thompson, first Roman Catholic PM; Mackenzie Bowell; and Charles Tupper, who won the dubious distinction of holding office the shortest time in Canadian history, a total of four months.

Wilfrid Laurier and his Liberals won the 1896 election, bringing stable government back to Canada. This political giant remained in power until 1911.



It was Alexander Mackenzie who established the Supreme Court of Canada in 1875, and who introduced secret ballots in elections.

Silver-tongued and with a razor-keen intellect, it was he who led the revolt of the Dominions at the 1897 colonial conference, when Britain tried to establish a central government to directly rule over the whole Empire. Laurier knew full well that Britain would dominate the proposed central government, and that the Empire nations would be deprived of their hard-won autonomy.

Similarly, Laurier had no patience with French-Canadian parochialism. He ably checked the growing Quebec separatism fanned in that province by Henri Bourassa.

Laurier's faith in our nation was immense and unlimited, expressed in the oft-quoted phrase, "The nineteenth century belonged to the United States, but the twentieth century belongs to Canada."

His prediction may have been proven a bit exaggerated, but it does reflect accurately the tremendous pride he had for Canada.
